(For E-Curriculum Vitae)

The encouragement and positive motivation I was given throughout the completion of this assignment was gigantic. First of all, I would like to manifest my heartfelt appreciation to my subject teacher **Mrs. Shuvra Baral**, who guided me to the triumph of this assignment from the very first day. Without her assistance, I might not be able to complete the assessment with detailed understanding and lucidity.

Likewise, I also convey thankfulness to all my colleagues who helped me throughout the assessment. The E-Curriculum Vitae video was made with an online tool named 'Animaker'. Animaker is an online animation video maker that brings studio quality presentations within everyone's reach. Winding up, I would like to make use of this opportunity to express my deepest gratefulness to my parents and the college who are facilitating to learn professorial technical courses.
